GERMAN-FINN PEACE U. S. RAILROAD OWNERSHIP

Russians Ratify Treaty—Packing Employees Win Wage Raise— U. S. to Sell Hun Proberty

HUN-FINN PEACE TREATY SIGNED

AMSTERDAM, March 7.—Official announcment was made in Berlin today of the signing of a peace treaty between Germany and Finland and also of trade and shipping agreements and a supplementary protocol. The treaty was signed at noon today.

UNITED STATES TO BUY RAILROADS

WASHINGTON, March 7.—Railroad purchases, amounting to between one and twe billion dollars this year, will be made through the railroad aministration, assisted by a central advisory committee of three railway purchasing agents to be appointed soon, Director General McAdoo announced today. Regional advisory committees will be created for the Eastern, Western and Southern districts.

MOSCOW SOVIET RATIFIES TREATY

PETROGRAD, March 7.—The Moscow soviet voted overwhelmingly to ratify the peace treaty with Germany, following a visit from Zinovieff and others. This is accepted as indicating the Premier Lenine "steam roller" may succeed.

This not the pan-soviet council of workmen, peasants, soldiers and Cossacks, called to meet in Moscow March 12, to pass on ratification of the treaty.

WAGE INCREASE FOR PACKING EMPLOYEES

CHICAGO, March 7.—A wage increase for 100,000 packing house employes here was assured when their cause was submitted finally to Federal Arbitrator Alschuler. Attorney J. G. Condon is his closing argument for the packers, stated they are willing to give 25 cents a day increase on the present ten-hour work day basis. Attorney Frank P. Walsh, in final rebuttal this morning, pleaded for the employes' full demands of $1 a day and inauguration of the eight-hour working day in the industry.

These were practically the only issues remaining for the arbitrator, the packers having agreed to the union's other demands, excepting union recognition.

U. S. PLANS SALE OF HUN PROPERTY

WASHINGTON, March 7.—Plans to break up the vast holdings of German interests in the United States and place them in other hands, so that after the war they cannot continue to be what have been characterized as outposts of German kultur in America, were presented to Congress today by A. Mitchell Palmer, the alien property custodian, and unanimously approved by the Senate appropriations committee.

PETROGRAD POPULATION FLEEING TO MOSCOW

COPENHAGEN, March 7.—There is a heavy exodus of all classes from Petrograd toward Moscow, and the railway lines are all congested to the point of suffocation, said a dispatch from Petrograd today.

It added that the city is full of rumors and that high excitement prevails. One report is that the Germans have renewed their advance from Narva, while another is that the Bolshevik government may repudiate the peace treaty signed with the Germans at Brest-Litovsk.

ROUMANIAN KING TO HOLD HIS THRONE

AMSTERDAM, March 7.—The dynastic question in Rumania is an internal one. The declaration was made by Baron von Dem Russche-Haddenhausen, under secretary for foreign affairs, in the Reichstag in reply to observations by other speakers regarding the future of the Rumanian throne.

That Germany plans to occupy Odessa, the chief Ukrainian port of the Black Sea, was revealed today by the terms of the preliminary peace agreement effected between the central powers and Rumania.

One of the terms of the pact was that Rumania shall give all necessary aid to the central powers in transporting troops through Moldavia and Bessarabia to Odessa.

Rumania emerged from the war with a loss of between 4000 and 5000 square miles of territory and minus all her coast on the Black Sea.

Rumania will have an outlet to the sea through the Danube, but according to the treaty, the Danube delta will be under control of Bulgaria.

52 Contra Costa Saloons Are Closed

A navy order closing all the saloons within a radius of five miles of Vallejo affects fifty-two saloons in Contra Costa county. The dry line extends as far as Pinole. Whether it covers all of Pinole or only a part of it is not known. The saloons directly affected are in Port Costa, Crockett, Selby, Rodeo and Pinole. They will close their doors just as soon as the order is received in Alejo.

The Ladies Aid Society of the First Presbyterian Church will meet this afternoon at the home of Mrs. H. K. Sanborne, 830 Pennsylvania avenue, for the purpose of electing officers. All members are requested to attend.

FOOD RIOTING IN NORVEGIAN CITIES

LONDON, March 7.—Rioting to-day in Christiania, in consequence of which many arrests were made, is reported in press dispatches reaching Copenhagen, as forwarded by the Exchange Telegraph. Crowds stormed bakers and butcher shops and there were demonstrations before the Parliament building.

$1,045.25 FOR PEACE PALACE

WASHINGTON, March 7.—Buried deep in the diplomatic and consular bill taken up today in the Senate is the pathetic item:

"Peace Palace at The Hague —$1,045.25."

This is America's regular contribution.

The bill totals about $8,000,000 and pays the expenses and salaries of our representatives abroad.

1918-19 ASSESSMENT IS NOW UNDER WAY

The work of making up the 1918-19 assessment rolls for Contra Costa county was started at noon Monday by Assessor George O. Mesec and his deputies. The valuations this year are expected to show a big increase due to the natural growth of the county, the increase in the assessments on crude oil alone being close to a million dollars. Mesec has the same staff of assistants this year as last, with the addition of Ira Vaughn of Richmond.

Former Hi Student Dead At Pinole

Eldon Bryan, 17, died at his home in Pinole Wednesday evening after an illness of several weeks. The lad was injured in this city several years ago when his family resided on Seventeenth street, and he has never fully recovered from the injury.

Young Bryan was a former student at the Richmond High School and was very well known here among the high school students. They learn with a distinct shock of his death.

The funeral will be held from the family residence, Pinole, this afternoon at 2 o'clock. Bert Curry will have charge. The body will be cremated in Oakland.

Matrons Club Elects Officers

The Wesley Matrons Club met at the home of Mrs. A. D. Wagle, 915 Macdonald avenue, and elected the following officers yesterday: Mrs. Eicher, president; Mrs. A. O. Bennett, vice-president; Mrs B. Banner, secretary; Mrs. A. D. Wagle, treasurer

A paper on "Child Hygene," prepared by Dr. Deiniger-Keser, was read by Mrs. Frances E. Randrup, after which refreshments were served by the hostess. There were over thirty-eight members present. The next meeting will be held at the home of Mrs. A. O. Bennett, 220 First street.

BIDS FOR POSTOFFICE

Charles G. Bason, manager of the Richmond Abstract and Title Co., has submitted a bid for the building of a new postoffice in Martinez. If he is awarded the contract Bacon will construct a two-story building there. As well as much other land there, Bacon owns quite a piece of ground on the corner of Las Juntas and Escobar streets in Martinez, and he plans to erect the new building there.

EXEMPTIONS ASKED FOR FARMERS

County Farm Bureau Wants Exemption Borrds to Heed President

The following resolutions were adopted by the Board of Directors of Contra Costa County Farm Bureau at their regular meeting held in Martinez on March 1, 1918:

Resolved, That the Directors of the Contra Costa County Farm Bureau, representing the farmers of Contra Costa county, hereby endorse the proclamation of Woodrow Wilson, President of the United States, regarding the drafting of men absolutely essential to the maintenance of food production on our farms.

President Wilson states:

"The farmer is also contributing to the army, and I am keenly alive to the sacrifices involved. Out of 13,800,000 men engaged in farm industries, 250,000 have been drafted.

"It is my hope that the local exemption boards will make the new classifications with a view of lightening the load upon the farmers to the utmost extent.

We fail to understand the action of the District Appellate Board at San Rafael in their classifications in a large number of cases. Apparently the District Board is entirely ignoring the policy announced by the President, both in letter and in spirit.

Resolved, That the chairman of the District Appellate Board be requested to state to the Contra Costa Farm Bureau the position of the board relative to this matter, so vitally important to food production and so necessary to winning the war.

Signed:

FRANK T. SWEET, Pres.
M. ELWOOD GATES, Sec.

Mc Loughlin Elected Basket Ball Captain

There will be no basketball games as planned for tonight, as the team that was to have played the girls is not able to come and the boys' team does not feel strong enough to tackle the Martinez Athletic Club in their weakened condition.

Theree of the original five members of the team have either graduated or enlisted in the army. The latest to go is Lang, the crack forward; the others were Woolslayer and Christian. The two left are Marcolo and Macloughlin.

This practically ends the basketball season for the boys, who have played some very classy ball with all their handicaps. The new captain was elected yesterday for next year in the person of Emmett Macloughlin the fighting bearcat of the team.

The girls' team will play Sa Rafael at San Rafael Saturday afternoon, which game will close the season for them.

Miss Maisie Nicholl, the sister of John Nicholl, was a visitor in Richmond. She was looking after her interests here.

Miss Jane Breck is home from her San Ramon school, as both she and her scholars had measles, and so they mutually agreed to take a lay-off. Miss Jane's measles are of the German variety, too, but otherwise she is natural.

RECLASSIFICATION FOR DRAFTED MEN

WASHINGTON, March 7.—Reclassification according to physical conditions of the men called in the next draft is provided in revised instructions for medical advisory boards which are being sent to the local boards throughout the country. The new regulations, made public to-night require that every man summoned before the board shall be placed in one of the following four classes.

(A) Acceptable for general military service.

(B) Acceptable for general military service after being cured of remedial defect.

(C) Acceptable for special or limited military service in a specified capacity or occupation.

(D) Rejected and exempted from any military service.

NEWS ADDS ANOTHER U. S. SERVICE STAR

The News adds another service star to Uncle Sam's flag of honor, as Ray Bushnell, night foreman, and with the News for several years, has volunteered and leaves for San Antonio or El Paso, Tex., Tuesday, there to become a member of the aviation corps as a chauffeur. The local boards of this county were notified that 400 truck drivers and chauffeurs and 170 cooks were wanted, and enlistments would be received up to to-day, March 8, and after that class A-1 men would be drafter to fill in the need.

Ray resigns his position tomorrow with the News and will take a couple of days visiting with his parents and packing his "kit." He is a fine, trustworthy young man, and we expect him to give a good account of himself, and when he gets over in France to eat up Germans for breakfast, dinner and supper, and then get hungry between meals.

Gianella Will Return Home

Louis Gianella, brother of Walter Gianella, proprietor of the Imperial Hotel, has been discharged from the American army because he is a native of Switzerland, and will be home within a week.

Gianella wanted to stay with the army but orders from Washington said all Swiss citizens should be discharged.

He went to Camp Lewis with the first contingent and was sent to New York some time ago. He went immediately from there to France and is en route from New York now. He will have some interesting stories to tell when he gets here.

Coroner Has Not Resigned Yet

Whether Coroner C. L. Abbott, who left with San Francisco Base Hospital Unit No. 47 for Florida on Saturday will resign his office is a question which is being more or less discussed around the Court House.

In ordinary times, a public official upon leaving the state must obtain leave of absence or permission to do so, but it is reported that a Federal Judge in the South has held that a man in the service of the United States need not obtain this permission when ordered out of the state.

At any rate Dr. Abbott has not yet tendered his resignation to the Supervisors, neither has a leave of absence as yet been applied for.

C. OF C. RECEIVES LETTER FROM FOOD COMMISSIONER

Demand Exceeds Supply— Fish Is Shipped East—Weinstock Goes to Bat— Paladini In Bad

The Richmond Chamber of Commerce received a letter yesterday from Ralph P. Merritt, Federal Food Commissioner for California, which takes up the problem of fish production.

The letter briefly states:

"The problem of production and distribution of fresh fish for the community about San Francisco bay is so important that it is receiving much attention from various civic bodies and from the Federal government.

"The need of our armies and of our associates in the war for beef and pork has made the problem of fish production a war emergency measure.

"The United States Food Administration asks co-operation and assistance to reach the solution of the fish question—that of production.

"The interests of the consumer cannot be safeguarded without an adequate supply. * * * The demand exceeds the maximum production. * * * The communities about San Francisco bay can absorb more than twice the maximum production today.

"The people of the San Joaquin and Sacramento valleys and of the mountain districts desire fish but can obtain none at present except at most unreasonable prices.

"Fish has been shipped as far as Philadelphia, which had been caught at Pittsburg, California, and used in place of Delaware river shad.

"The fishing equipment owned by wholesalers of San Francisco is totally inadequate and antiquated.

"There is no hope for permanent relief until private enterprise undertakes the necessary investment to construct and equip steam trawlers of modern type to bring in fish from undeveloped resources of the coast."

He earnestly asks the Chamber of Commerce directors to bring the matter to the attention of the members so they may co-operate and help solve the problem.

This is only another indication of the seriousness of the fish problem.

A. Paladini, San Francisco wholesale fish dealer, refused to produce his books on Wednesday for investigation when asked to do so by Fish Commissioner Weinstock. As a result Weinstock has ordered his attorneys to file papers for the appearance of Paladini and his four sons in court to show reason why their books should not be open to Federal investigation. Weinstock says that no stone will be left unturned t prohibit profiteering in fish.

Edgar Allen Forbes, secretary of the State Fish Exchange, said at a meeting yesterday:

"Director Weinstock has patiently tried for months to induce the wholesale and retail fish dealers to cooperate with him in order to establish abundant supplies of fish at reasonable prices.

"He has assumed throughout that all the dealers desired to comply with the requirements and that any violations were oversights or errors than willful."

Colonel Weinstock is going to the bat on this thing and it is probable that by the next meeting there will be some developments that will clear up at least a part of the problem. He has the Federal Government behind him and food profiteering in his district must stop.

VALUABLE PRIZES FOR ELKS' WHIST PARTY

The Elks, it seems, are out to excell everybody as far as awarding valuable prizes for whist is concerned. Their prizes, which are exhibited in the windows of Jones & Adkinson, are most assuredly excellent, and so far above the usual prizes given at most of the so-called whist parties as not to be comparable with them. First of all there is a grand prize (or rather two, but only one may be won), either a gents' or a ladies' gold watch, depending, of course, on the sex of the winner, then there is a magnificent bath robe for the gents' first prize and a $5 glove order for the second. For the ladies there is a $10 millinery order (and what lies nearer the feminine heart than an Easter bonnet) and a beautiful knitting bag for second prize.

Mrs. R. T. Meeker, home from India on furlough, will speak at the Stege Presbyterian Church next Sunday on missionary work in India. Mrs. Meeker is a woman of broad experience and of striking personality and her audiences are always large.

A report from Mrs. I. N. Jarvis of Richmond, who has been collecting cancelled postage stamps, shows that 250,000 were sent from here to the Belgian quarters.

EPWORTH LEAGUE SOCIAL

The Epworth League of the First M. E. Church will hold a St. Patrick's social at the church parlors tonight. On appropriate program and refreshments have been arranged for. An admission of ten and fifteen cents will be charged.

ACANTHA CHAPTER INITIATES

Acantha Chapter, Order of the Eastern Star, will have initiation at Bank Hall tonight. Dancing and refreshments will follow. All Eastern Stars are cordially invited by the committee.

HALF FORCE AT KNITTING WORKS

The Princeton Knitting Works are working only half their force till Saturday, as the much needed material which was supposed to have arrived a month ago is still on its way and is expected Saturday.

They are at present working on bathing suits and men's sweaters.

We understand that Charley Donnelly is hatching up a lot of diabolical schemes for that entertainment committee of the Red Cross, of which he is chairman. We intend to watch him carefully, and warn the public every time he starts anything dangerous. He has some devilment up his sleeve right now.

"How Can I Save"

"I can hardly make ends meet as it is."

Don't fool yourself by such reasoning as this.

You CAN save if you WILL. Suppose your income were one dollar a week less—wouldn't you be able to "make ends meet?"

Of course you would.

Then just suppose that it is a dollar a week less—and every Monday morning bring that dollar down here and put into a savings account. Forget it! Don't hold it in your hand so long that it sticks! If you follow this plan you'll have a snug little sum put away almost before you know it.

Come down and put in the first dollar now.

The Big Idea In Banking

The modern financial institution has one main purpose—co-operation.

The facilities of this strong institution, under Federal supervision, are maintained that its patrons may have available the best of banking service—that their requirements may be most effectively met.

The progress of the community, of this Institution and of the individuals whom it serves; are one. Banking is co-operation.

COUNTY WILL BUILD MANY GOOD HIGHWAYS

Fifty thousand tons of rock and sand and 36,000 barrels of cement will be required by Contra Costa county for its highway construction work this year, according to the estimate submitted Tuesday by Ralph R. Arnold, county engineer, who was authorized by the Supervisors Monday to prepare specifications for the materials which will be needed.

It is the intention of the county to receive bids for the furnishing of these materials to be delivered as speedily as possible and to supply the same to the contractors under supervision, thus calling upon the highway builders to bid only on the labor involved and the necessary minor grading. There will be 32,000 tons of crushed rock or gravel required, 15,000 tons of sand and 36,000 barrels of cement for building the roads outlined for this year.

County Campaign for War Library

A county wide campaign for books to swell the collection of the War Camp Libraries and for the boys "over there" will be waged in Contra Costa the week of March 18 to 25. Mrs. Alice G. Whitbeck is in charge of the work in this county and the work will be carried on with the aid of the branch library custodians, ministers and school teachers with the newspapers being depended upon for the necessary publicity.

The county library branches will be the assembling points for their communities and the books thus collected will be shipped to the county office to be assorted, classified, processed and shipped on to the state headquarters. Thus far no attempt has been made to handle this work in this county, although many counties have already added their share.

Members of the Mendelssohn Club had a very interesting afternoon yesterday when they celebrated James Whitcomb Riley day at the home of Mrs. A. W. Krumdick, 673 Tenth street. A pleasing literary and musical program was rendered and refreshments were served.

Local members of the Liberty Homestead Yeomen will attend the reception and entertainment to be given Grand Foreman William Fink in Oakland tonight. Initiatory work will be a part of the program. A special car will leave Richmond at 7:30 for the Richmond people.

CARD OF THANKS

To all those who freely gave their time and automobiles at the funeral of our late departed brother, W. J. Champion, Eclipse Lodge No. 403, I. O. O. F., in full realization and appreciation of the kindly spirit thus shown, extends its sincere and grateful thanks. 56t1

The Elcho Club of Richmond, which was organized by a number of local young men, has purchased the athletic equipment of the Elcho Club of San Francisco, and the young men are engaged in installing the equipment in the club rooms at 716 Macdonald avenue. There are twenty-five members in the club.

The Editor Says:

COUNTY POLITICS

The county campaign is beginning to simmer and will soon be coming down the line in an interesting manner. Some of the present county officials are not going to have any opposition, and some are. Richmond is not going to have a full ticket in the field, but will have part of a ticket, and that may be depended upon as true.

We do not think it would be any use for this city to undertake to put a candidate in the field, with any hope of success, against either Sheriff Veale, Clerk Wells, or Tax Collector Joost. Those three men are simply invincible this year, and any of us who may be figuring to the contrary may as well get it out of our systems first as last. There has been nobody mentioned as opposition against Veale who amounts to a hill of beans, as far as making a winning is concerned; and Wells and Joost have no opposition whatever, of any kind, and in our judgment are not going to have any—certainly not from Richmond.

It is very doubtful, also, whether it is worth while kicking up any disturbance for either Mike Hurley, Recorder; or Al Sullinger, Auditor. They are both very competent men, and we see no heaven-sent call to raise any dust in that direction. It is sometimes a smart thing to know when to let well enough alone.

We believe Richmond will offer candidates in opposition to Assessor Meese, Superintendent of Schools Hanlon, District Attorney Johnston and Assemblyman Calahan. There are a few others who will also have opposition, among them, quite likely, Treasurer Baker, but the campaign is yet too young to dope it all out correctly along those lines as yet.

We do not believe, with the right kind of opposition, which is soon to be forthcoming, that either Calahan, Hanlon or Johnston have any chance whatever of carrying Richmond.

Veale and Joost we consider almost as good as re-elected right now.

An Eastern exchange says Mary Garden wore an air of indifference while being interviewed. Glad to note it. Last time we saw her on the stage she didn't wear anything worth mentioning.

Miss Katherine Burke, editor of the Concord Transcript, has been mentioned as a possible candidate for County Supervisor, but declines to run. One reason for her declination may be because Joe Tracy, of the Pittsburg Post, wrote a poem about it, thus seriously damaging whatever chances Miss Burke might have had.

It is your patriotic duty to raise a good crop of hope every year.

A drunkard feels very virtuous when abusing a dope fiend.

HE WON'T DO

J. O. Hayes, publisher of the San Jose Mercury and erstwhile Republican, announces that he will be a candidate for governor. But, then, what has that to do with us?—Stockton Labor Review.

"Red" Hayes is a very nice gentleman. We know him fairly well and like him much, but he is not the kind of timber the rank and file of the people of California want at the head of the state government. He is of the old line reactionary "black" Republican type, and once "black" always "black." It is dyed-in-the-wool and won't wash out. The poor man and the laboring man cannot afford to take chances on Hayes. What we should strive to bring about is the nomination of Rolph by the Republicans and Heney by the Democrats, then it won't make any very material difference which is elected, as both are all right.

The Bolsheviki of Russia is a fair sample of the kind of government the I. W. W.'s would give this country if they ever got the opportunity, which they will not get, now or ever.

Captain Jack Poland is going to edit the Byron Times for a while and let Harry Hammond go away on a vacation. Glad of it. Now we will have something good to read again. But what business has any newspaper man got going on vacations, and where does he get the price? Here is a deep and dark plot which the grand jury had better sit up and take notice of.

The first aid most persons want is financial.

As a rule nothing but a lot of worry comes to those who wait.

This isn't intended as a criticism, but we believe it only fair to call attention to the fact that Germany may be using a hundred per cent of her leadership energy in preparing, while the United States is splitting hers fifty-fifty with talk. We can't whip the Germans with talk.

Let's have it straight. Here is the full text of General Sherman's classic remarks on war: "I confess without shame that I am sick and tired of war. Its glory is all moonshine. Even success, the most brilliant, is over dead and mangled bodies, the anguish and lamentation of distant families appealing to me for missing sons, husbands and fathers. It is only those who have not heard a shot nor the shrieks and groans of the wounded and lacerated, that cry aloud for more blood, more vengeance, more desolation. War is hell."

If we saved what we spent on folly we'd all be rich.

A Play Worth While at T & D Today

Vivian Martin, a very popular Paramount star, will be seen at the Richmond Theater to-day and tomorrow in her latest Paramount picture, "The Fair Barbarian," arranged for the screen by Edith Kennedy from Frances Hodgson Burnett's story of the same name. Robert T. Thornby, who has directed nearly all of Miss Martins recent productions is also responsible for the direction of "The Fair Barbarian," which is said to contain some excellent-photographic effects. Miss Martin will wear some of the most stunning gowns of her career. She is supported by an excellent cast including Helen Eddy, Jane Wolff, Charles Gerrard, Douglas Mc Lean and others.

The result of admitting a brezy, up-to-the-minute American girl into the very heart of English small town society is amusingly depicted in the Paramount picture.

CONGRATULATES THE JUDGE

Attorney Odell stands high among the Richmond members of the bar and his choice was regarded as a fortunate one indeed. He will fill out the unexpired term of Judge Jacobs. He has practiced law in Richmond for a number of years and has many friends who will congratulate him on taking office. Martinez Standard.

New and Modern Hospital Will Open

The new Cottage Hospital at Ninth street and Barrett avenue will open within the next few days and Richmond will be provided with one of the most modern and up-to-date hospitals in the state. The place has been entirely remodeled, is light, airy and clean. Each patient will be under the personal attention of a graduate nurse and may be treated by their own family doctor. The hospital is located in a quiet and homelike neighborhood and patients will never be bothered fith the noise of the cars.

SUPERB PRODUCTION AT MACDONALD TODAY

The great patriotic classic, "The Man Without a Country," will be shown at the Macdonald Theater today and tomorrow. It is a wonderful production and carries a warning to slackers and a message to patriots. This picture has been playing to packed houses in San Francisco. Admission 11 and 17 cents.

A fine, husky eleven-pound boy arrived at the home of Glen L. Conn yesterday. Dr. Abbott was in attendance. Mother and child are doing fine.

Stege-Pullman Notes

The New Idea Club held its last meeting at the home of Mrs. J. Smith of Pullman. After the new member, Mrs. N. F. Hunt, was initiated with due ceremony, the club turned to its grim task of disseminating new ideas and wrinkles in the household world.

Those present were: Mrs. A. J. Summers, Mrs. Breezy, Mrs. Ostrand, Mrs. E. B. Huelett, Mrs. Creely, Mrs. Nelson, Mrs. F. Brown, Mrs. Anderson and Mrs. McGrew. Delicious refreshments were served by the hostess.

Mrs. Pansy Jones and Harvey Wyantt were quietly married in Oakland yesterday. Mr. Wyantt is a Standard Oil guard. They will make their home at Stege in one of the houses owned by Mrs. Wyantt.

Misses Helen and Pearl O'Neall have moved over to San Francisco They have been residing with their aunt, Mrs. M. Gately, and were popular with the young set of Stege. Their jolly presence will be missed.

Mrs. Margaret Gately, who has been confined to her bed for the past five months with inflammatory rheumatism, is on the road to recovery.

Clarence Thayer, who is with the 25th Engineers, is on his way to France, if not there by this time, according to word received here. He narrowly escaped from possible death on the Tuscania, as his regiment was slated to sail on it, but measles broke out just as they were to leave, and so they were quaranteened.

Telephone poles are being erected on Cypress avenue, which will be used to carry the myriads of wires running down on Portrero at present.

Peter Francesco of Pullman is suffering from an attack of lead poisoning.

Alvin Thurman and Severio Ciapponi have enlisted in the Signal Corps as wireless operators, and are awaiting their call.

S. Rogers, a Standard employee, has bought the house vacated by E. S. Allen on South Thirtieth street.

A bouncing baby boy arrived at the home of P. Thomas of Pullman on March 1.

Miss Ida Jasvin is taking a post graduate course at the Berkeley Business College.

Mrs. Chandler of Pullman, who suffered an attack of paralysis some time ago, is well and up and about again.

Miss Ruth Davis, sister of Mrs. A. W. Krumdick of this city, has enlisted as a trained nurse and is stationed at Mare Island. She will be there but a few days, when she will be sent to France.

"Old Man" Fulton Cared for By County

D. Fulton, popularly known as "Old Man" Fulton, will be taken to Martinez under the direction of Humane Officer Calfee and installed at the County Hospital. He suffered an attack of paralysis about two years ago, which left him in a practically helpless state. He was from time to time helped out by friends and Rev. Calfee till last year, when his sister invited him to make his home with her bask East. While her kindness gave him a haven of refuge, he still suffered terribly from the extreme cold and so was forced to return to the milder climate of Richmond. He arrived Saturday. As soon as Rev. Calfee was appraised of his return he arranged for his care at the county institution.

"SAFETY FIRST"

Conductors and motormen should be more careful about starting up cars before people are safely aboard. Frequently men are thrown off because the car starts before they can get safely bn, and when a man's hands are full of bundles and packages it is hard to board a moving car. Better be a few minutes late in the running schedule than kill or seriously injure anybody. Signs on the inside admonish people to wait until the cars stop before getting off. This safety first adminition should also be heeded as to starting the car before passengers are safely on.

REGISTER TODAY

People of El Cerrito who wish to vote at the coming election will have to register today or not vote. This is the last day of the registration.
